Free Parking (Consider Carpooling)

August 25, 2016
Southwest Study Group Meeting:
Resident Roundtable

Ground Rules

- No suggestion is too big or too small
- Everyone has an opportunity to speak
- Legal and real estate matters cannot be discussed
- If you have a complaint, you must provide a solution
- Speak one person at a time and listen when others are talking
- No putting down of other's suggestions and no personal attacks
- It is not possible to implement every suggestion however that doesn't mean suggestions are not good
- Project components Atlanta BeltLine Inc. (ABI) is legislatively mandated to deliver cannot be changed including: Parks, Transit, Trails, Complete Streets, Affordable Workforce Housing, Economic Development, Historic Preservation, Arboretum, Art and Environmental Clean Up.

Round Table Instructions

- Each table has an ABI facilitator who will also take notes
- Facilitators can answer questions for clarification purposes only (we want to hear from you!)
- All table participants will have an opportunity to speak by going around the circle and sharing one suggestion at a time (roughly two minutes per suggestion)
- After all suggestions have been recorded, the table will vote for their top three
- The table will choose a representative to report out the top three choices to the larger gathering

If you have any questions or concerns, please contact the Office of Community Engagement at engage@atlbeltline.org
